

100.11 Cooperative Owned Area Lighting (AL)

Applicability

Applicable to Cooperative owned outdoor lighting assets where the existing facilities (either owned by the Cooperative or the Member) are suitable for the installation of lighting. Cooperative owned outdoor lighting assets include lamps and lighting fixtures ("Cooperative Area Lighting").

Maintenance or Repairs of Cooperative Area Lighting

The Cooperative will own, install and maintain Cooperative Area Lighting. Upon failure of any Cooperative Area Lighting, such Lighting will be replaced by the Cooperative with LED lighting, and applicable charges may apply.

The Member will pay for costs of repairs including labor and materials for damage to Cooperative Area Lighting resulting from an act of vandalism as determined by the Cooperative. The Member will be responsible for any costs of repairs including labor and materials for damage to existing facilities owned by the Member.

Member Requests

Relocate. The Member will pay for all costs, including labor and materials for the relocation of any Cooperative Area Lighting and necessary facilities in accordance with the Line Extension Tariff (Section 300).

Change Out. Any Member requesting to change out functional Cooperative Area Lighting to LED lighting will pay the net book value of the existing Cooperative Area Lighting plus labor costs of change out as determined by the Cooperative. Following the change out, the Cooperative will adjust the Member's account(s) to reflect the appropriate rate.

Removal. Only applies to Cooperative Area Lighting installed on Member-owned facilities. Any Member requesting the removal of Cooperative Area Lighting must provide notice in writing to the Cooperative. The Member will be responsible for paying the net book value of the existing Cooperative Area Lighting plus labor costs of removal as determined by the Cooperative and any costs for disposal of the Cooperative Area Lighting. Upon removal, the Member will be responsible for any costs associated with furnishing of new lamps or lighting fixtures including labor and installation and maintenance and repair. Following the removal, the Cooperative will adjust the Member's account(s) to reflect the appropriate rate.

Purchase. Only applies to Cooperative Area Lighting installed on Member-owned facilities. Any Member requesting the purchase of Cooperative Area Lighting must provide notice in writing to the Cooperative. The Member will be responsible for paying the net book value of the existing Cooperative Area Lighting. Upon purchase, the Member will own the lamps or lighting fixtures and be responsible for any maintenance and repair costs. Following the purchase, the Cooperative will adjust the Member's account(s) to reflect the appropriate rate.

Rates

Delivery Charges:

LAMP TYPE		CHARGE PER LAMP/MONTHLY
50-55 watt	LED	\$ 9.60
