Brad Hicks, VP Engineering & Energy Innovations

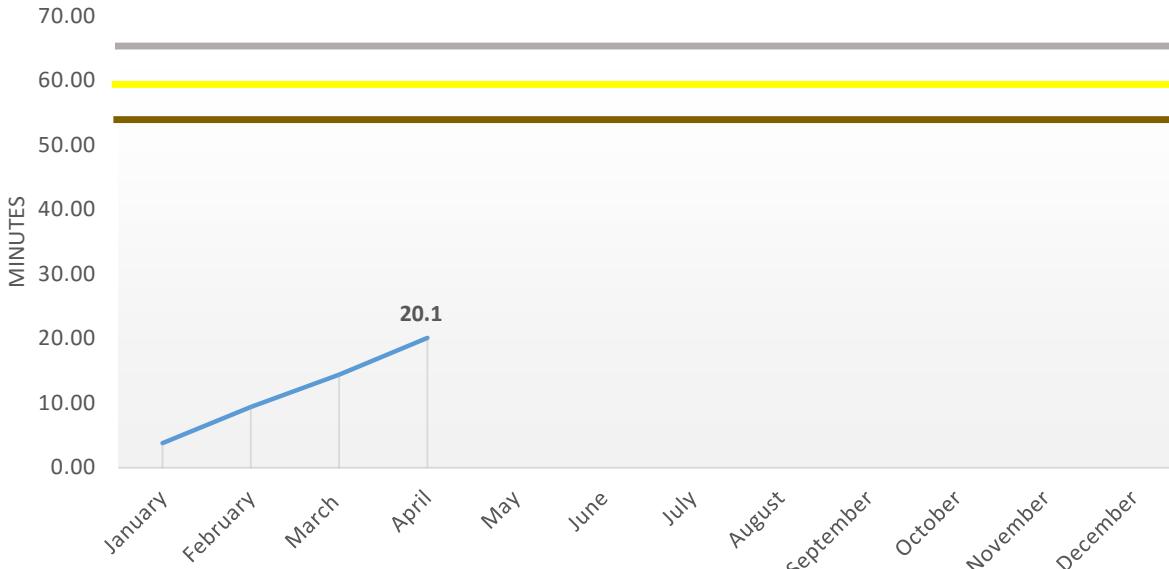

# Engineering Growth Measures

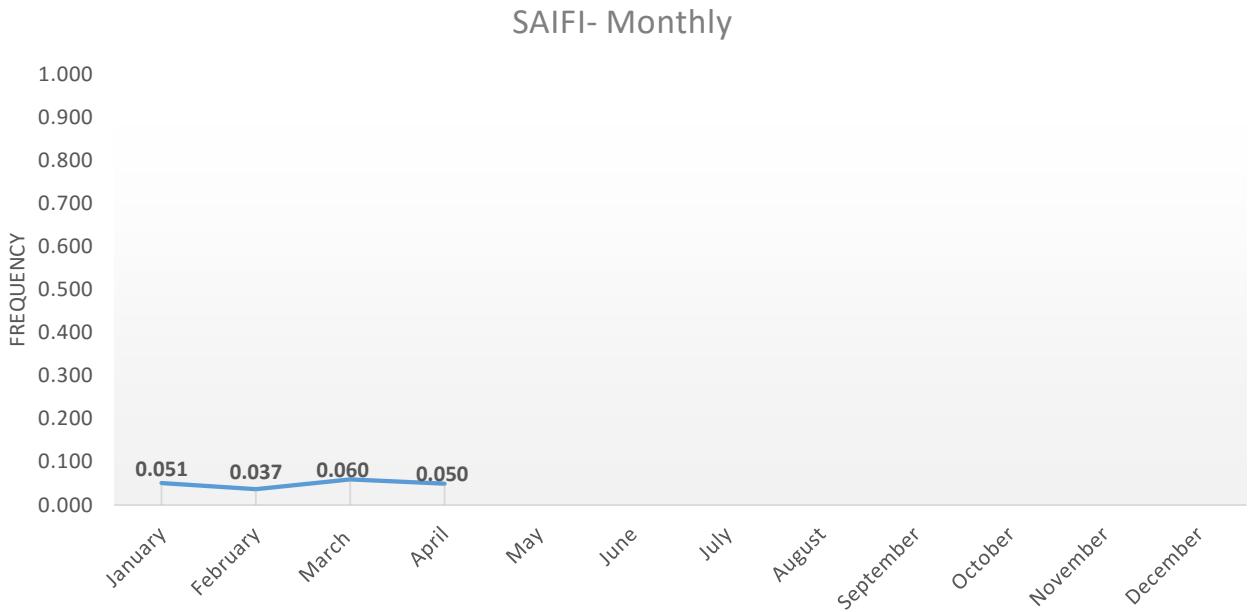

# Engineering

## Reliability Measures

SAIDI - YTD

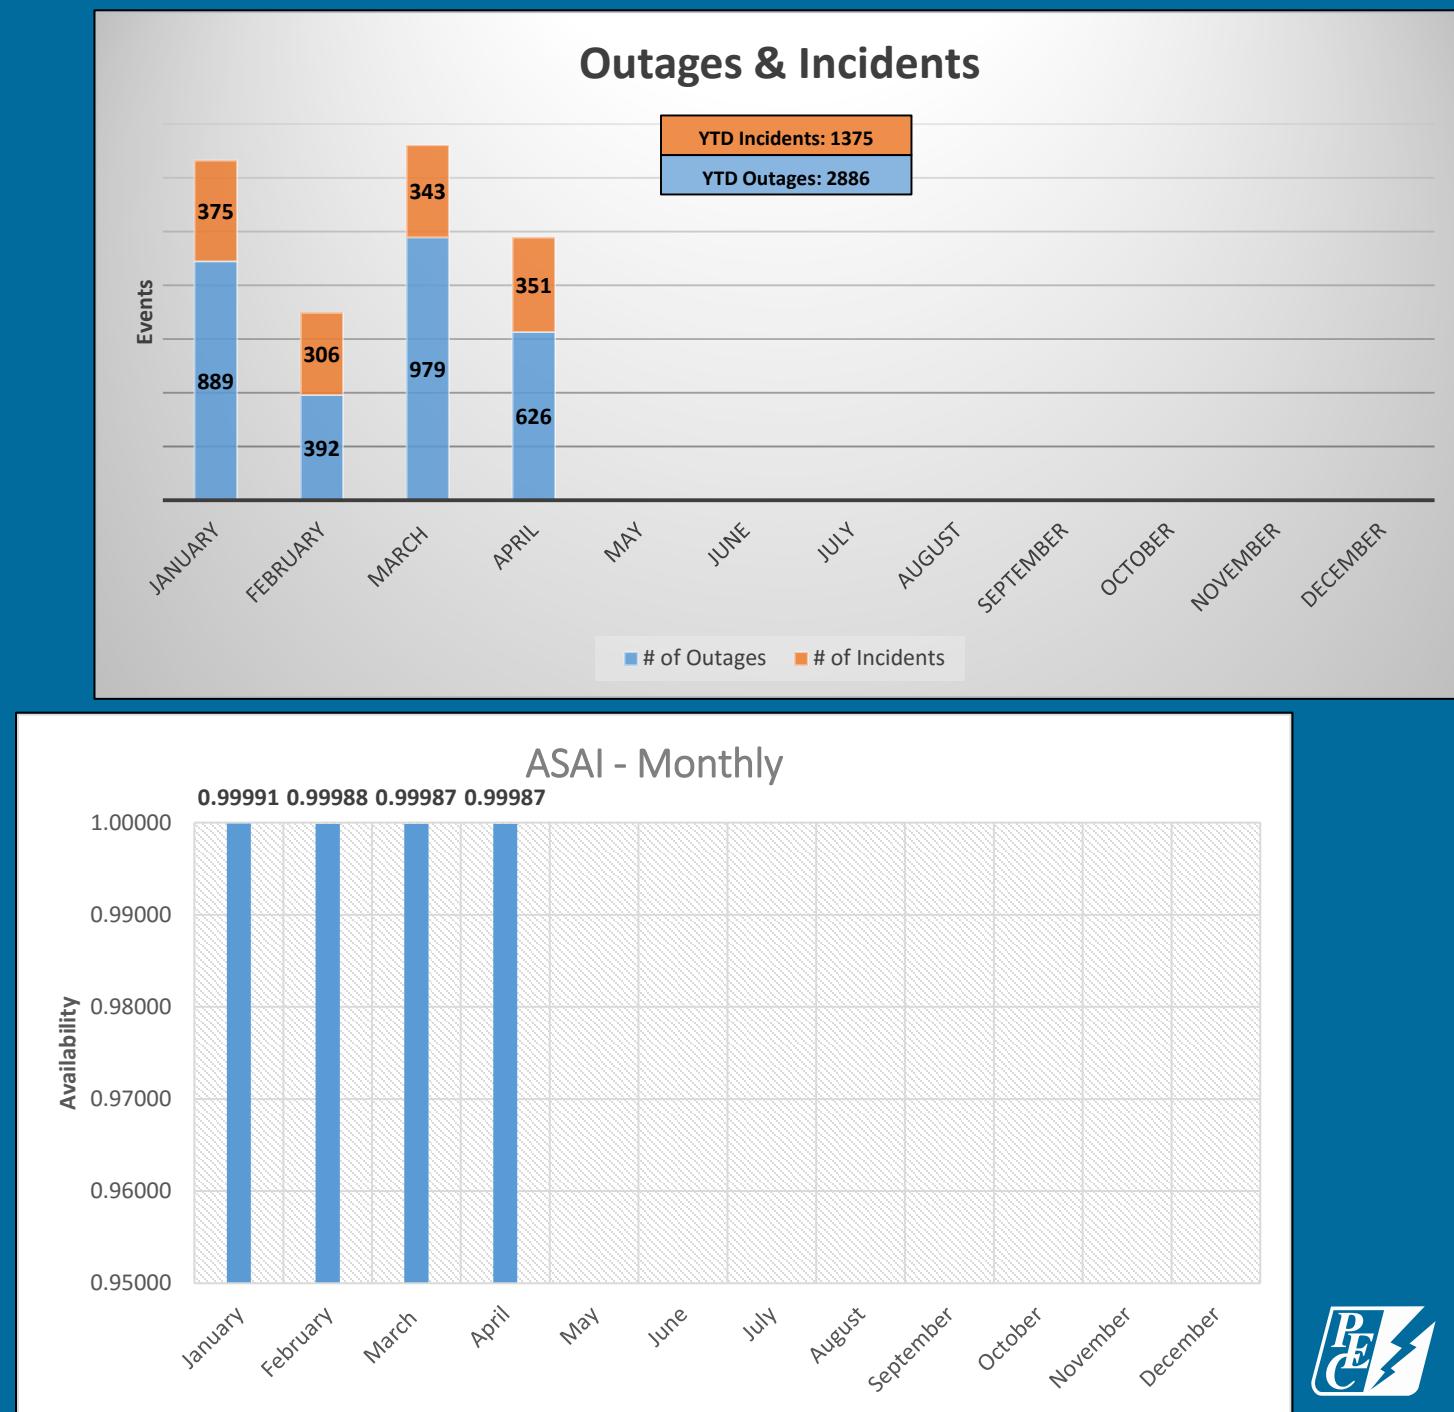

SAIFI- Monthly

# Engineering

## Reliability Measures

# Habitat Conservation Plan (HCP) Avian Protection Plan (APP)

## Status Update

- HCP Grant awarded in Sep 2016
- Information gathering
  - Evaluating required HCP/APP content
  - Reviewing current PEC practices
  - Identifying strengths / weaknesses
  - Defining protected areas and impacted species
  - Determining proper mitigation strategies
- Conducted meetings with Oncor, Centerpoint, LCRA
- Attended Avian Power Line Interaction Committee (APLIC) May 2-3
- Contract support from Zara Environmental Consulting
- Reviewed HCP grant with the PEC grant committee for acceptance-  
*awaiting CEO / BOD approval*

## Next Steps

- Formalize the PEC HCP Steering Committee
- Develop HCP/APP/RUS compliant processes
- HCP approval by 2019
