PEDERNALES ELECTRIC COOPERATIVE

PROCLAMATION

WHEREAS,

Pedernales Electric Cooperative recognizes the urgent need to prepare and maintain a highly-skilled workforce that is capable of meeting the demands of the industry we serve; and

WHEREAS,

the United States currently faces a skills gap in the number of qualified and available workers to supply the needs across the electric utility industry; and

WHEREAS,

apprenticeship programs are uniquely capable of providing the academic and work-based learning required to develop in-demand skills in conjunction with employment; and

NOW, THEREFORE,

I, Wayne McKee, Vice President of Safety & Technical Training, call upon all electric utility providers to recognize the value of apprenticeships, and to promote industry awareness and expansion during the fifth anniversary of:

**BUILDING SKILLS,
EXPANDING OPPORTUNITY**

IN SUPPORT,

Wayne McKee, Vice President of Safety & Technical Training

& Planning Manager

“[I] just wanted to let you know that the issue has been resolved. And, during and after, your personnel have been very gracious in letting me know what was going on ... It has been resolved to my full satisfaction.”

– *Canyon Lake Member*

An American flag is draped over a light-colored wooden surface. The flag's stars and stripes are visible, with the blue field of stars on the left and the red and white stripes extending towards the right. The text is overlaid on the right side of the image.

“I would like to thank PEC on behalf of Blanco ISD for their help at BHS. The rope on the flagpole at BHS broke and needed to be replaced. We didn't have a way to reach the pulley to install the new rope so a crew from PEC came to our rescue. They brought a bucket truck and helped us get the job done. We are proudly flying the US and Texas flags again. Thank you PEC for your community service, it is much appreciated.”

— *Blanco ISD*

Happy Thanksgiving
