

RATE POLICY

Effective Date: October 21, 2022

POLICY AT A GLANCE

It is PEC's mission to provide low-cost, reliable, and safe energy for the benefit of its Members and to provide structure and guidance for the design and management of the Cooperative's Rates.

SUBJECTS INCLUDED IN THIS POLICY

1. PURPOSE

Pedernales Electric Cooperative, Inc. (“PEC” or “Cooperative”), is committed to providing low-cost, reliable, and safe energy for our Members. The [Tariff and Business Rules](#) for Electric Service (“Tariff”), as approved by the Cooperative’s Board of Directors (“Board”), details the Cooperative’s Rates. The purpose of the Rate Policy (“Policy”) is to provide structure and guidance to design and manage the Cooperative’s Rates.

2. SCOPE

- 2.1. This Policy governs the design process of the Cooperative’s Rates.
- 2.2. This Policy governs the planning, management, reporting, and oversight of the processes to manage the Cooperative’s Rates.
- 2.3. This Policy governs the interactions with the annual budget cycle and the enterprise risk management process.

3. POLICY AND IMPLEMENTATION

3.1. Defined Objectives

The Rate design process will be guided by the following objectives and in accordance with any applicable federal or state law related to Rates:

- 3.1.1. Equitable Rates – Costs will be allocated to members in a just and reasonable, equitable, and non-discriminatory manner as supported by the Cost of Service Study.
- 3.1.2. Accurate Price Signals – Rates will strive to send accurate Price Signals to members, as metering infrastructure and billing software allows.
- 3.1.3. Stability – Rates will be designed to recover the Cooperative’s costs, while limiting the impact of short-term cost increases and decreases to Member’s rates.
- 3.1.4. Cost recovery – Rates and other charges for electric energy and other facilities, supplies, equipment, or services provided by the Cooperative must be sufficient at all times to:
 - 3.1.4.1. Pay all operating and maintenance expenses necessary or desirable for the prudent conduct of its business;
 - 3.1.4.2. Pay the principal and interest on the obligations issued or assumed by the Cooperative in performing the purpose for which the Cooperative was organized;
 - 3.1.4.3. Create reserves to support the other defined objectives; and
 - 3.1.4.4. Generate margins adequate to meet annual lender requirements and long-term financial objectives as per the Cooperative’s [Equity Management Plan Policy](#).

3.2. Cost of Service Study

- 3.2.1. A Cost of Service Study will be conducted at least once every three (3) years. The study will inform Rate design and will serve as an input to the Rate Plan.
- 3.2.2. The Cost of Service Study will include a review of all Rates listed in the Tariff.

3.3. Rate Plan

- 3.3.1.** The Rate Plan will define how the Cooperative anticipates recovering its costs from Members for services provided during the upcoming year.
- 3.3.2.** The Rate Plan will be presented to the Board annually and will be consistent and in alignment with the annual budget cycle.
- 3.3.3.** Approval by the Board will authorize management to execute the Rate Plan.
- 3.3.4.** The Rate Plan will have the following major components:
 - 3.3.4.1.** Forecasted revenue collections from Rates for at least a 12-month period;
 - 3.3.4.2.** Forecasted reserves for at least a 12-month period; and
 - 3.3.4.3.** Recommendations for changes to Rates for at least a 12-month period.

3.4. Rates Committee

- 3.4.1.** The Board establishes a Rates Committee generally composed of the following roles:
 - 3.4.1.1.** Chief Executive Officer;
 - 3.4.1.2.** Chief Financial Officer;
 - 3.4.1.3.** Controller;
 - 3.4.1.4.** Vice President of Member Relations;
 - 3.4.1.5.** Vice President of Markets;
 - 3.4.1.6.** Rates Manager; and
 - 3.4.1.7.** An in-house Legal designee to serve as a legal advisor to the Rates Committee.
- 3.4.2.** The Rates Committee is charged with the administration of this Policy and is granted authority and responsibilities to:
 - 3.4.2.1.** Oversee responsibilities and activities assigned as part of this Policy;
 - 3.4.2.2.** Recommend controls and periodically review the effectiveness of all aspects of this Policy; and
 - 3.4.2.3.** Retain outside advisors and organizations to assist the Cooperative in completing a Cost of Service Study or any other studies as needed in connection with this Policy.
- 3.4.3.** A member of the Rates Committee will report at least quarterly to the Board on the implementation of the approved Rate Plan. The report to the Board will consist of the following:
 - 3.4.3.1.** Current cost recovery and forecasted cost recovery for at least 12 months;
 - 3.4.3.2.** Description of any adjustments needed to complete the execution of the Rate Plan; and
 - 3.4.3.3.** Recommendations if an event or condition arises that may result in an impact to the Cooperative's reserve balances or its ability to recover costs.
- 3.4.4. Rate Adjustments or Changes**
 - 3.4.4.1.** The Rates Committee will propose Rate adjustments or changes to the Board as part of the Rate Plan and at such other times as necessary to meet

the Cooperative's objectives as defined in this Policy.

- 3.4.4.2. The Board will consider all proposed Rates and Rate adjustments or changes and approve the proposed Rates and Rate adjustments which the Board determines appropriate.
- 3.4.4.3. Members may obtain information about Rates or adjustments or changes to Rates as may be publicly available in open session materials for Board Meetings or otherwise in accordance with the Cooperative's [Open Records Policy](#) or state and federal law.
- 3.4.4.4. Members may choose to participate and intervene in any Rate adjustments or changes by submitting comments in writing to the Board or providing comments at a Board Meeting or other member forum addressing Rates.
- 3.4.4.5. The Cooperative anticipates informing affected Members of any new Rate, or Rate adjustment or change at least 30 days prior to the effective date of such Rate.

3.4.5. Administration, Monitoring, and Control

- 3.4.5.1. The Board has exclusive jurisdiction to set all terms of access, conditions, and Rates applicable to the services provided by the Cooperative other than as provided by Texas state or federal law.
- 3.4.5.2. The Rates Committee is responsible for the execution and documentation of functions needed to administer and implement the Rate Plan.
- 3.4.5.3. The Board will monitor the Rates of the Cooperative.
- 3.4.5.4. The Board will review and determine whether to authorize any adjustments or changes recommended by the Rates Committee.

4. DEFINITIONS

The definitions below are commonly utilized by power industry professionals. The definitions are meant to clarify this Policy and may not align with other uses of the terms.

- 4.1. **Cost of Service Study** – A study that identifies all costs associated with providing service to a Member and/or Member class.
- 4.2. **Price Signals** – Information conveyed to Members through the establishment or adjustment of Member Rates, which provides transparency to the Member regarding the Cooperative's cost to serve or provide services.
- 4.3. **Rate(s)** – Any compensation, tariff, charge, fare, rental, or classification that is directly or indirectly demanded, observed, charged, or collected by the Cooperative for any service, product, or commodity and any rule, practice, or contract affecting the compensation, tariff, charge, fare, toll, rental, or classification.
- 4.4. **Rate Plan** – A Board approved plan that is updated annually and defines how the Cooperative anticipates recovering its costs.

5. POLICY ENFORCEMENT

Violation of this Policy may result in disciplinary action, up to and including termination.
