

# Northwest Lineman College (NLC)

PEC is looking to extend the existing contract for continued services:

- One year extension; Sep 2018 - Aug 2019
- \$403K estimated cost includes:
  - Tuition for current and new apprentices
  - Utility Training Services events
  - Reference manuals
- NLC has a comprehensive program including training resources and placement assessments
- This extension provides consistency through next year, then PEC can explore competitive bidding and new services
