

Tariff Changes for Area Lighting

Natalia Mack | Rates Manager

David L. Thompson | VP Markets

Cooperative Owned Area Lighting

Section 100.11

- Reason: As PEC has worked through Member requests regarding Cooperative owned area lighting, it has become apparent that clarification and completeness of language regarding charges and processes are needed.
- Tariff changes:
 1. New language addressing pricing and procedures specific to removal and purchase requests
 2. Clarification on the costs associated with change out and relocation requests
 3. Other general clean up for clarity and consistency with current practices
- Tariff changes are effective February 1st, 2019
