### **Draft Resolution - Approval of Fleet Maintenance and Repair Contract - R Arellano**

**Submitted By:** Richard Arellano

**Department:** Support Services

**Financial Impact and Cost/Benefit Considerations:** \$15,000,000

This request is to award \_\_\_\_\_ a contract to perform routine maintenance and repairs to PEC fleet vehicles and equipment. The fleet continues to grow with the cooperative so there is a heavy reliance on these contracted services to ensure we can respond to member needs in a safe and timely manner.

**BE IT RESOLVED BY THE BOARD OF DIRECTORS** that the Board approve a five (5) year Contract/Agreement with \_\_\_\_\_ for fleet maintenance and repair services not to exceed \$15,000,000.

**BE IT FURTHER RESOLVED**, that the Chief Executive Officer, or designee, is authorized to take all such actions as needed to implement this resolution.
